New Millinery Modes

There is a style, a prettiness, a newness, a smartness, if you like, in the new fall millinery. It goes for more than a passing notice. This week we shall make a special display of the newer things in trimmed hats, both large and small models.

Charming models of unusual individuality, exclusive pattern hats and tailored hats from the well known houses of Gage, Cupid, Phipps, Dobby and Checka-

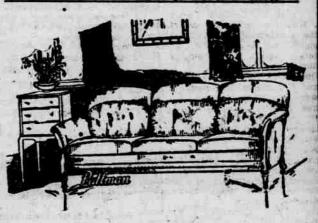

Two discoveries impress visitors to our millinery sec-tion. The almost endless variety of charming hats in every shade that is fashionable and every style that

Home Charm and True Economy

Shallene's furniture is economical in the sense that it gives you lasting satisfaction. It is poor economy to buy furniture which does not create a home atmosphere. Some furniture is dear at any price.

Be sure to see our stock of rugs and furniture before you decide. It pays to look around.

Your Extra Bedroom Here it Is

Your living room turned into a bed room when you have a guest or for sickness. It is a genuine Pullman, not a davenport that gets out of order every time you make use of it.

These davenports do not show they contain a bed and are made in different covers and styles of frame.
